Whisperwoods Website

We would like to encourage everyone to look at Whisperwoods website occasionally. There is so much useful information included as well as helpful links.

The website is Whisperwoods.org or you can directly access the links at Whisperwoods.org/links

You can also contact any Board Member or the Property Manager through the website.

If anyone notices unusual or suspicious activity in our neighborhood, please contact the Collierville Police using the non-emergency phone number:

901-457-2500

Pets in the Pool

Please note that pets are strictly forbidden from the pool. NO PETS should never be taken into the pool area or in the pool. We have the pool professionally maintained and cleaned weekly for the safety and enjoyment of all homeowners.

Yard Waste

Thank you to all who have made a substantial difference in the appearance of our neighborhood by placing your yard waste on the street on the appropriate day and time. There has been a tremendous improvement.

As a reminder, please place yard waste on the curb no earlier than 5:00 pm the day prior to the intended pick-up day. Our property manager has been working overtime to address a variety of issues that detract from the appearance of Whisperwoods, and yard waste is a top concern. Placing yard waste out on the curb any day of the week causes our neighborhood to look like every day is garbage day.

Please help to keep our neighborhood looking beautiful every day of the week.

Our neighborhood remains one of Collierville's most desirable.

Your Board of Directors and ACC wish to encourage everyone to comply with our covenants to the benefit of all.

Please refer to the ACC Guidelines on our website for further info:
