

Whisperwoods Newsletter
May 2020

Congratulations to the graduating class of 2020

COVID-19

Has not only affected everyone’s daily lives, it has required many changes in Whisperwoods. Our Annual Meeting and voting on the Board for 2020 which was scheduled for April 13, 2020 was cancelled. Repair work on our perimeter fence has been delayed. Our neighborhood pool opening has been delayed and our normal landscaping and grounds maintenance crews have been delayed and are behind schedule.

Please be patient as we all work through these issues and hopefully get back to normal soon.

Please check Whisperwoods.org > Hot Topics for updates.

Neighborhood Pool Opening

As soon as it is determined to be safe to use our pool, it will be opened. Please watch our Website for more information and keep an eye out for the Pool Closed sign to be removed.

Architectural Controls

The Whisperwoods Architectural Control Committee (ACC) is primarily tasked with the approval or disapproval of changes to existing properties. Please recall that any visible changes to any home or lot must be approved by the ACC. ACC Request Forms, committee contact information, and project guidelines can be viewed at Whisperwoods.org. The ACC can provide valuable assistance in the avoidance of various code and committee perils before the first nail is struck so please do not hesitate to reach out to the committee chairperson. All residents are asked to ensure lawn weeds are aggressively managed and mailbox/post are in attractive condition. Your ACC is here to serve; call or write with any questions.

Whisperwoods.org

Our community web site can be viewed at Whisperwoods.org. Web traffic data shows that our neighborhood is the product of regular search activity. The many data-rich pages and links to both internal and external source materials have shown themselves to be of value.

Users can explore topics ranging from ACC compliance to leadership contact forms to countless links related to Collierville and community projects and services. You can look-up ordinances, local crime activity, set-up hold mail, manage vacation home security check services with our police department, and even report a light pole outage or road damage using convenient links. Want to know what's "going in" at the corner of this road and that? There's a link for this too, complete with stickpins for easy project site identification. Please consider joining our email distribution; it is free and quick to set-up and we will not spam you. Your association continues to maintain this site in-house so if you have any recommendations please do not hesitate to forward them to the Webmaster.

Facebook Private Group

Quick and convenient interaction with neighbors and the ability to share important information with the entire Whisperwoods community is at the heart of our Private Facebook Group. Access to the group is by invitation only and limited to Whisperwoods owners and residents. We moderate the group in-house to ensure a G-rating and want to encourage active participation; ask questions, share events or concerns, mention service providers that have done exceptional work, or just wish your neighbors a nice day, it's all welcome in our private group. If you would like to join the many already part of our group, simply go to Whisperwoods.org and click on the Email & Facebook link at the top of the home page.

Neighborhood Alert

Together let's take on the responsibility of keeping Whisperwoods a safe neighborhood. If you see any unusual activity, please call the Collierville Police. Their non-emergency number is 901-853-3207.

Especially during these stay at home days, many walkers are out and some have their pets along for their walk. Please be thoughtful and clean up after your pets and be aware it is a Town Ordinance.

Also during these times, we have many kids, walkers and runners crossing our streets. Please be aware that our neighborhood streets have a 20 mph speed limit.

Reminder that our normal garbage/trash collection occurs on Wednesdays. Please make sure that you and/or your yard service doesn't place limbs/yard waste and any other trash out before Tuesday nights.
